

# Sticky Note Discussion

- When you write, who is your audience?
- What do you think good writing is?
- What does revision mean to you as a writer?
- What does your writing process look like?
- What resources do you use when you write?

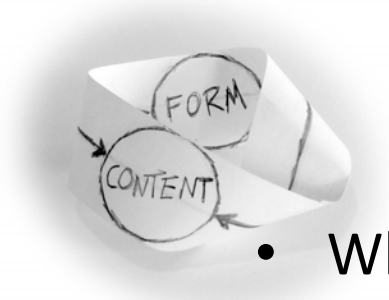

***Choose 3 questions to answer; discuss in groups; share with class; group discussion.***

# Writing Assignments

## FORM

- What is it called?
- What does it look like on the page?
- What is its general structure/order of information?
- How long should it be?
- What citation style should I use?

## CONTENT

- What information should be included?
- What is its purpose?
- Who is my audience?
- What style, tone, or voice should I use?
- What evidence do I need?

***Generate a list of writing tasks for your discipline, and then put poster on the board.***
